P.R.B.A Kids Win in Katherine

Those of you who were at the recent Boardwalk Café dinner and saw the Donation to the Top End Storm Swimming Club can now witness the further success of these youngsters. If you would like to get behind the club sponsorship opportunities are now available.

Supporting a great local sporting club

The Top End Storm Swimming Club is based at the Goldfishbowl at Yarrowonga and counts the PRBA as one of its most valued sponsors.

The club is now calling on Palmerston-based businesses who are keen to show their support for children's sporting clubs in the area to get in touch and find out about Top End Storm's range of sponsorship packages.

Top End Storm has rapidly developed into one of the Territory's most dynamic and successful sporting clubs. The club has received extensive media coverage in the Territory News recently with stories about record-breaking backstroker, Stevie Nibbs and the club's new Storm Ambassador Leadership Program.

Top End Storm is keen to extend its links with the Palmerston business community.

Any businesses who would like a copy of the club's sponsorship package should contact Stephen Smyth on 0401 119 782. Stephen will email you a copy straight away.

WAYNE'S WORLD (PARTY TIME EXCELLENT)

I guess it can't be too tough around the halls of the PRBA I say that because at our AGM all our existing committee was re-elected. In addition I was thrilled to add Sarah Tucker from "Darwin Reef n Wreck" to our committee. This keeps the momentum going, and there sure is some momentum. At present we are working on the 2008 calendar, the November Dinner at La Beach featuring our two candidates for the seat of Solomon David Tolner & Damian Hale.

Our Christmas show is but a few weeks away so that means organising entertainment, raffles and a troupe of dancing elephants.

Going back to our AGM I must congratulate Tim McClintock and his team from Free Spirit Resort. Tim is the consummate professional, the room, the menu, the service, all first class. Tim's attention to detail made for a great night. Even the Bougainvilleas on the table were hand picked from the grounds of the Resort. Well done Tim and thanks. The team is Working on Our First Home and Lifestyle Expo 2008. Stay Tuned You're probably wondering who our special guest is at Christmas.
